ITEM-601: DISCUSSION HELD

A proposal to amend the Progress Guide and General Plan by selecting a Growth Management Element to replace the Guidelines for Future Development. This element addresses the rate, timing and phasing of growth; and the location, quality and quantity of new development; and the protection and preservation of Environmentally Sensitive Lands including wetlands, steep slopes, floodplains, biologically sensitive lands and prehistoric and historic sites and resources. It is the intent that the element be placed on the November, 1988 ballot for ratification by the voters of the City of San Diego.

It is the intent of the City Council that this item will be heard throughout the month of July. Future hearing dates and times will be announced at the conclusion of each hearing.
